

# EASE Modular Walls

Powder Coat Finish & Graphic Motif Options

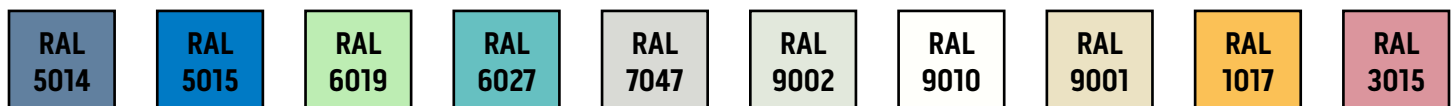

## Awe-inspiring work environments

Skytron's EASE modular wall panels are made of steel or glass, and offer a wide spectrum of colors and design options. Steel and glass decor walls offer hygienic qualities as well as compelling design that correlates with therapeutic and supportive environments. The EASE art catalog includes more than 200 graphic motifs mainly inspired by nature due to its soothing effect on patients and hospital staff. Our design team is here to help you choose colors and graphics that compliment your hospital's layout and style. Our optional powder coating allows for further customization with 10 available RAL colors.

### EASE Modular Walls

- Deliver a warm feel for staff and patients with aesthetically pleasing graphics and colors
- Optional powder coating increases ability to fight off infectious elements, 10 RAL colors available
- Incredible imagery sets your facility apart from your competition
- Non-porous and flush surfaces increase efficiency for cleaning the room
- Rounded corners allow nowhere for bacteria to hide
