78" (1981mm) reach

TR-7C
Ceiling Mount

Ceiling mount offers
70" (1778mm) reach

TR-7F
Mobile Floor Stand

Mobile floor stand offers
38" (965mm) reach

TR⁷

LED Examination Lights

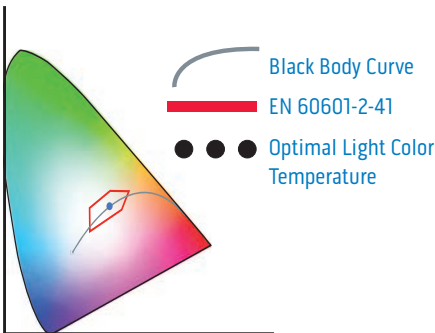

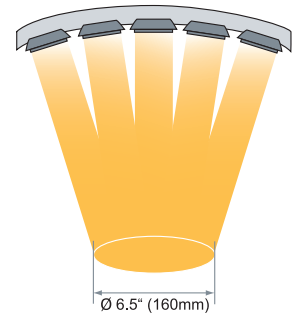

Easily positioned and adjustable for any exam

When mounted from the ceiling, the TR-7 offers a large range of motion and a 70" (1778mm) reach. An ergonomically placed switch on the light head provides intensity and on/off control for the practitioner.

Homogeneous illuminated area

Unique optic ensures optimum light field. The illuminated area meets the highest technical lighting requirements for exam lights. The reflection-, shadow- and glare-free lighting generates an ideal field of vision.

No color distortion

Accurate rendering of the colors of tissue.

- Ra > 95
- R9 > 90

This allows a clear recognition of different color planes within the tissue. The illuminated area appears natural and contrasted.

Skytron is the Healthcare Efficiency Specialist, providing full-room solutions of capital equipment, architectural and real-time information systems for Medical, Surgical, Sterile Processing, and Infection Prevention. Our solutions enhance the utilization of people, facilities, and capital because they are designed with the user in mind and have a low, long-term cost of ownership.
