Flexible Support in the Clinical Space

Efficiency, organization, and accessibility are paramount in the fast-paced world of healthcare. Skytron's ST Series Mobile Storage Carts are designed to elevate your medical facility's storage capabilities, streamline workflows, and enhance patient care. Thoughtfully engineered for medical use, these cabinets provide functionality and practicality to your clinical environment.

Vital to Your Clinical Setting

- Maintains organization and efficiency in the clinical setting
- Mobility allows for the flexibility of conforming to different clinical tasks
- Maximize your limited space with enhanced space optimization
- Be prepared in times of emergency with organized and mobile storage
- Tailor your cart to your specific specialty needs
- Control infection spread with an easy-to-clean cart surface
- Angle-oriented Panelogic™ shelving design for better visibility and accessibility
