

Clean Start Chemicals

Cleaning and Disinfection Solutions

Specifically designed for Skytron washer-disinfector systems.

- Optimized for use in the Sterling Series Washer Disinfectors and Skytron Flex Ultrasonic Disinfector
- Versatile and effective for use in all brands of automatic reprocessing equipment
- Super concentrated for cost effectiveness
- Extends instrument life with anti-corrosive agents
- Helps protect devices against spotting and staining
- Reduces cleaning time with efficient removal of stubborn organic encrustation
- Does not contain scale-forming phosphates, chlorides, or hydroxides
- Fast rinsing and free of metal-attacking agents
