

CleanView

Disposable Handle Cover

Specifically engineered for Skytron light systems, designed to provide a clean view of all surgical procedures.

Intuitive. Sterile. Efficient.

Easy To Use

The intuitive design of Cleanview allows for effortless and non-invasive user experience for all clinical applications.

Sterile Barrier

The flexibility of the handle cover glove provides a sterile barrier, ensuring an operable clinical environment.

Cost-Efficiency

With CleanView's single product packaging, users can easily adapt to their clinical environment without increasing costs.

CleanView

Flexible, Sterile, Easy To Use

Skytron engineered to maximize light performance

- Smaller rim eliminates light blocking created by competing covers
- Up to 6% lux improvement over other disposables designed with larger diameter shields
- Flexible handle cover retains functionality of the intensity control button

Compatible with most industry standard adapters
