

 SKYTRON STERLING P1000

Sterling P1000

Washer-Disinfector

Worry-free compliance while saving time, money, and space

The Sterling P1000 washer-disinfector streamlines and automates the decontamination process – bringing unsurpassed efficiency and flexibility to the Sterile Processing Department.

Lower Cost of Ownership

- 64% less water and chemical use than other washers
- Lowers utility and sewage bills
- Save 50% in chemical and water costs

Comply With Your Medical Device IFU's

- Allows for 40 fully customizable cycles
- Intuitive touchscreen controls allow for editing parameters for pre-wash, wash, rinse or dry phases

Maximize Your Efficiency

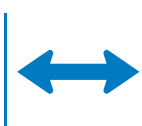

- 50% more trays in 80 inches of space width
- Up to 12 DIN trays per cycle
